

Welcome to MassBio, members of BIOQuebec!

As a member of BIOQuebec you are able to take advantage of some of the core benefits of MassBio membership.

- **Expand your network with our professional development events!** Attending **MassBio events** is one of the best ways to become a known member of the Massachusetts cluster.

- Sign up to attend our **free Forums**—these 2-hour professional development seminars begin with networking, and are followed by a panel or a speaker.

- Join us after work for our casual **Networking Events and Regional Mixers**.

- You can also take a deeper dive into specific areas of the industry at our **Signature Events**, and these events come with a great discount for members.

- **Save on supplies and services!** MassBio offers each of its members the ability to take advantage of excellent discounts through our **Purchasing Consortium**. **Lea Sansone**, our Manager of Member Benefits, can help you get set up with all of the vendors you are interested in.

- MassBio also offers individual discounts on local restaurants, businesses and attractions through our **Employee Rewards program**, which can be accessed by creating an account on our website!

- **Stay tapped into our community!** We have daily newsletters that allow you to stay tapped into your areas of the interest. You can sign up for these through your MassBio.org account. Be sure to sign up for the Friday Upcoming Events email, as it gives a full list of everything on our calendar. Let's get started!

The next step is to create an account:

- Visit **www.massbio.org**

- Click "Create Account" at the top of the home page

- Enter your **work email address** and click "Submit"

- You will receive an email prompting you to complete your account set up. Follow the instructions given to complete your account.

Creating a MassBio Website Account

We recently launched a new portal which requires everyone to create a new account on www.massbio.org. You will only need to do this once.

You will need to click on the login/create account button first.

On the next page you will need to click on the "Sign up now" link to create your account.

OR

Don't have an account? [Sign up now](#)

On the create your account page you will enter your work email address and then click on the "send verification code" button.

A form section titled "Work Email Address" with a sub-header "Please enter a valid email address." Below this is a text input field labeled "Work Email Address" with a "What is this?" link to its right. Below the input field is a button labeled "Send verification code".

Once you click the button to have the code sent, the button will change to say "verify code". The email with the code will arrive in your email pretty quickly. Enter the code and click the "verify code" button and it should then disappear.

You can now enter your password twice and your first and last name and click the "create" button at the bottom.

A form section titled "New Password" with a sub-header "8-16 characters, containing 3 out of 4 of the following: Lower ~ ' () ; .". Below this is a text input field labeled "New Password" with a "What is this?" link to its right. Below the input field is a button labeled "Send verification code". Below this is a form section titled "Confirm New Password" with a sub-header "8-16 characters, containing 3 out of 4 of the following: Lower ~ ' () ; .". Below this is a text input field labeled "Confirm New Password" with a "What is this?" link to its right. Below the input field is a button labeled "Send verification code". Below this is a form section titled "First Name" with a text input field labeled "First Name" and a "What is this?" link to its right. Below the input field is a button labeled "Send verification code". Below this is a form section titled "Last Name" with a text input field labeled "Last Name" and a "What is this?" link to its right. Below the input field is a button labeled "Send verification code". At the bottom of the form are two buttons: "Create" and "Cancel".

You have now created your account and should be logged into MassBio.org.

Vous avez maintenant créé votre compte et devriez être connecté à MassBio.org.
